[further details to follow]

Simchat Torah

Saturday 10th October

5pm

Kehillah North London High Holiday services are one of the many highlights of our year. At their best we hope they can uplift ourselves and those around us, whilst also helping ground us in our relationships with each other and the wider world. Each year we hope to get closer to this goal.

High Holiday Services will be taking place on Zoom, with some in-person events outdoors in small groups for Kehillah members. We will be sending out information about in-person groups shortly.

We are delighted to have a full programme, from Ellul right through to Simchat Torah. Additional events are planned beyond those that are detailed here – please see the calendar on our website: [Kehillah.org.uk/calendar](https://kehillah.org.uk/calendar), our e-bulletin or newsletter for further information.

Should you need any support to attend online events, please contact our Administrator Ashleigh via the details on the front page, and we will find a way to help you join us.

Shana tova umetukah – a sweet and happy new year to all
