

Yom Kippur Tzedakah Appeal 2020 / 5781

This year we're raising money for **Sistah Space**. In addition we of course ask you to make a donation to our **Kehillah** to help sustain and grow our community throughout the year.

SISTAH SPACE

This year, we are raising money for Sistah Space. Sistah Space is a locally based Hackney charity that supports women, primarily of African heritage, who have experienced domestic abuse. Sistah Space provide advice, advocacy, support, and educational classes to women who have experienced abuse.

KEHILLAH NORTH LONDON

We pride ourselves in being a home for many Jewish people and families who have sometimes found it difficult to find a home elsewhere. But we also seek to make Kehillah a warm, welcoming, creative and good place. Every year we struggle to raise the money we need to do this particularly in this year, when we as a community have experienced such change, well as in a year of wider financial difficulties in our communities. We ask you to consider us on Yom Kippur because you value what we do and want us to continue to grow, to pray, to think, to learn, to challenge and to offer friendship and comfort.
